Note: From 062292 the switchable passive option is discontinued. Cabinets are only available active. General notes: The LS-1001 is now unavailable as a spare part. The LS-1001 can be replaced by the LS-1004. The RC-1001 has a vented coil former and is designed for use with early LS-1001 without a vented pole piece. The RC-1004 can be used with any LS-1001 that has a vented pole piece, although the use of the RC-1001 is preferred.
